Logistics:

You will go through our instructor certification program (either Kung Fu, Tai Chi, Chi Gong or Zen Yoga – see our program director for times and details.) You will learn Chi Gong, Taoist Yoga, Yin Yang theory, 5-Element 6-energies theory, 7 Chakra and 8-Trigram in addition to your training at the school. You will learn the I-Ching, the oldest and most profound and scientific study of the patterns of nature. You will meet individually with Master Campbell 2 scheduled times per month (in person or on the phone.) Your meeting with him will vary between physical training (when needed), goal settings and outcomes, life design and strategy, and other relevant topics getting you closer towards your goals while staying present in this moment. Long distance students will meet via phone, get video teaching and it is suggested you make 2-3 trips to Phoenix over the year (see Master Campbell for arrangements.)
